The 151st Edmonton and 175th Lethbridge Highlanders.

WAINWRIGHT HIGH SCHOOL PUPILS HOLD FOURTH "AT HOME"

"School days, school days, they're the golden rule days," so says the old song; and indeed one could hardly wish for a better exemplification of the adage than was evinced on Friday evening last at the "Fourth Annual At Home" which was given by the pupils of the high school.

To a well-filled hall, songs, choruses, readings, and instrumental selections were given with a naivete and excellence which could hardly be beaten by any other school aggregation anywhere.

The address of welcome which was given extempore by Miss R. Douglas after the proceedings had been opened by singing "O Canada," showed oratorical powers of no mean order, and the finished playing of Miss Strang's violin solo, and the piano solo by the Rev. Father Carpenter, were indeed musical treats. In the chorus work, the scholars showed splendid rhythm and although in some places the voices were possibly a little weak, the musical talent was well displayed.

To singularize would be futile but mention must certainly be made of the comedian efforts of Masters M. Pawling, E. Turner, and B. Kennedy whose "turn" "brought down the house." Principal Revdie acted as chairman, and Miss L. Peterson made an efficient accompanist.

At the close of the program a dainty lunch was served, after which games which indulged until a real late hour and at the singing of "Auld Lang Syne" all voted the affair the best yet.

The full program was as follows:

Chorus—O, Canada
Address of Welcome—Ruth Douglas
Piano Solo—Laura Peterson
Chorus—Aurora Lee—The Girls
Reading—Blanche Shaffer
Piano Solo—Salut a Peeth—Marion Limpert

Draying Business Changes Hands

Owing to the fact that Charlie Eggar, who has had the Buffalo Dray business for some two years, is desirous of serving with the colors, he made a preparatory step to this end last week, by disposing of his business to Messrs J. Esselment and W. Douglas. These wellknown townsmen will continue the business under the same firm name, and we wish them full success in their venture.

WORLD'S RECORD WHEAT CROP

In view of various claims of world's record wheat crops for large areas, the Crowfoot Farming Company of Crowfoot, Alberta, submit a sworn statement of their results for the year 1915 which will probably surpass all properly authenticated claims from other sources. From 1356 acres the Crowfoot Farming Company received an average yield of 51 bushels, 58 1/2 pounds per acre of number one spring wheat, by actual selling weight; 400 acres wheat averaged 50 1/2 bushels per acre. These records were established in the Canadian Pacific Railway Irrigation Block in Southern Alberta.

The eight annual convention of the Hardisty Teachers' Association is slated for Thursday and Friday of this week, when a welcome is extended to all teachers of the province.

Despite the fact that our "Town Cop" is in Edmonton, his deputy is keeping things in good trim. Bill is away to the Royal Alexandra Hospital, where they are working on his refractory appendix.

REV. H. WILSON IS LEAVING CITY FOR WAINWRIGHT

Under the above caption, the Saskatoon Phoenix of Thursday last carried the following article:—That Rev. Henry Wilson, of St. James' Church is leaving the city carrying with him the confidence, esteem and best wishes of the Girl Guides of St. James' Church was shown last evening when the members of the organization assembled with their captain and lieutenant in St. James' Hall and held a most successful "At Home." Mr. John Jackson and his orchestra were present and supplied an excellent program of music, the Girl Guides rendering several choruses, which were encored again and again. During the evening Rev. Wilson was made the recipient of a silver headed walking cane suitably engraved and of a silver cigarette case. The tables were prettily arranged and decorated with flowers. The evening came to a close all too soon and will be a memorable one to the Girl Guides of St. James' Church.

Rev. H. Wilson, M. A. who has been rector of St. James' Church for the last two years, is leaving in a few days for Wainwright Alta., having accepted an appointment in that important center of activity, in succession to Rev. Mr. Assiter, who has been appointed to the incumbency at Lacombe.

During his pastorate at St. James, Rev. Mr. Wilson has enjoyed a reputation as an earnest and eloquent preacher and has the good wishes of a large circle of friends in his field of labor.

KING CONSTANTINE HELLENIC MONARCH LIKELY DETHRONED

LONDON, Oct. 17.—The entente allies have formally recognized the provisional Government of Greece in the Island of Crete, set up by former Premier Venizelos.

The entente consults at Canea, the capital of Crete, have been instructed to act in union in this matter.

An official statement issued here today says it is only in Crete that the question of official recognition has yet risen. Official circles in London have received no word in regard to the recognition of the New Cabinet at Athens.

UNITED STATES WILL PROBABLY LOOK FOR ALBERTA SEED GRAIN

There is not a moment to lose in the matter of securing seed wheat if you are so unfortunate as not to possess it of your own. The agricultural editors of the western spring wheat States have issued a solemn warning to the people of those States as to the absolute necessity of securing vigorous seed and Canada is the logical place for them to secure it. Western Canada will be delighted to sell it to them, but first she should be absolutely sure that her own requirements are filled. Seed wheat will never be cheaper for the spring of 1917 than it is right now.

Alberta has this year the largest amount of high class seed wheat that there is in the west, but in practically every district there is sufficient excellent seed wheat if care is taken to keep it in the district for that purpose. Millers and elevators alike are after the good wheat and if care is not exercised it will be out of the country before you know it and then very fancy prices will have to be paid to get it back again.

PROVINCIAL GRAND OFFICER HERE TO VISIT REBEKAHS

To-morrow evening (Thursday) will be the occasion of the official visit of the Deputy-President of the Rebekah Assembly of Alberta to the local lodge of this degree, and in this connection all members of "Adeline" lodge are asked to make an effort to attend.

There will be an exemplification of the degree, and refreshments will be served at the close of the business meeting.

ONLY TWO MORE WEEKS

From today there is just two more weeks in which to take advantage of the present subscription rates to The STAR. On November 1st the price of this paper will be \$1.50 to any address in Canada, and \$2.00 anywhere else, cash in advance. A word to the wise is sufficient.

MORE LOCAL CASUALTIES

Since the last issue of THE STAR three more brave lads who were known in this district have laid down their lives for the flag.

Two of these are Boyd Swan and Walter Stewart both of Irma, who were listed as killed in action on Monday, the third hero is John Robert Lowe, who was formerly teller-accountant in the local branch of the Union Bank. Bob, as he was called, enlisted with the 51st batt, in January 1915 and left Sarece with a draft of that regiment in September of the same year. After a stay of only one week in England he volunteered for, and was transferred to a draft of the 49th batt which was then leaving for France and he first saw service in the trenches on October 10th 1915—exactly a year before receiving his final call.

The telegram received from the authorities by his sorrowing family at Isted Deer states that he "died of wounds at No. 41 Casualty Clearing Station, October 8th, 1916."

"In the Interest of Better Stock"

Believing that the backbone of the wealth of this country is in its live stock and that in this respect whatever benefits one is to the benefit of all, the Imperial Lumber Co. Ltd. have at a cost of five hundred dollars secured the local rights of distribution of "The Veterinarian" a most thoroughly up-to-date book dealing with the different diseases which affect every kind of live stock and the treatment for each disease.

It is a book of 256 pages written and copyrighted 1915 by Dr. Chas. J. Kornick one of the best known veterinarians in the United States, and former State Veterinary Surgeon of Oregon, Ex-President Oregon State Veterinary Medical Board and Hon. Member, Ont. Veterinary Medical Association.

It is written in plain language and is divided into six sections dealing with horses, cattle, swine, sheep and goats, poultry and miscellaneous.

It contains over 1000 reliable prescriptions and treatments for the diseases of domestic animals, and was published to sell at 2.50, but after looking through a copy which was shown, the Imperial Lumber Co., believing that this was a work which should be in the hands of every man interested in live stock of any kind, secured the entire rights for the Wainwright district and are giving a copy free to each of their regular customers. As the book is a valuable one to have, we would advise a call in at their office to secure a copy while they last.

Mrs W. S. Clark will not receive on Friday next, nor again this season.

J. VEITCH HAS BAD RUNAWAY TEAM AND SUFFERS INJURIES

Discretion is oft-times the better part of valor, and such would have possibly proved the case on Monday if Jack Veitch, who was for some time clerking in the Armstrong store, had let the team go their own sweet way instead of hanging on to them when they bolted.

From what can be learned, it appears that he was calling at the Limpert Farm, and left a team had rig tied to the fence while he was inside the house for a while. Hearing the horses break away, he rushed after them and succeeded in grasping the bridle of one, but was unable to check the team, with the result that they rushed into the fence at another spot and threw him so heavily that he was rendered unconscious.

The sufferer was taken to the house and revived, and an examination later by Dr. Little it was found that he had sustained some facial and scalp wounds, in addition to which one of the horses had trodden upon his right instep, and two teeth had been knocked out.

After having received medical attention, Mr. Veitch was taken to his home in the Simmerman automobile, and we wish him a speedy recovery.

LAY FOUNDATIONS FOR WAR LASTING EXTENDED PERIOD

LONDON, Oct. 14.—Replying to Sir Edward Carson, who again raised the question of man-power and Ireland's contribution, the War Minister, David Lloyd George, in the House of Commons today, said there was no doubt whatever about the country's available man power and reserves, but it was necessary to get at them. The exemptions, he declared, had been far too numerous. If he gave the figures he would startle the public. The exemptions had run to millions.

The Minister believed the Government had power to deal with the exemptions, but, if not they would consult the House on needful measures.

"We must lay the foundations for a war extending over a prolonged period," said Mr. Lloyd George. "That is the only way to ensure victory."

AT HYMEN'S ALTAR DEAN--STEELE

A marriage of local interest took place at the church of St. John the Evangelist, Hamilton, Ontario, on Saturday October 7th of two recent citizens of Edmonton.

The bridegroom was Mr. Robert Robertson Deane, late manager of the Edmonton branch of the Canadian Inspection and Testing Laboratories, and the bride, Miss Christina Marjorie Steel, daughter of Mr. and Mrs. W. B. Steele of Clark Manor, Alberta, and late assistant at All Saints' Pro-cathedral.

It was a quiet wedding and the ceremony was performed by a friend of the bridegroom, the Rev. G. H. Snell, late assistant at All Saints Pro-Cathedral, Edmonton.

The happy couple left on Saturday for a short holiday at Niagara Falls, Ontario, and will afterwards reside at Montreal.

G.T.P. Employees Get More Pay

MONTREAL, Oct. 17.—The Grand Trunk Railway company issued a statement to the effect that after lengthy negotiations the locomotive engineers and firemen on the Grand Trunk Railway system have been granted an increase in pay "with the result that an agreement has been reached mutually satisfactory to the interests concerned." The increase was not stated but representatives of the unions concerned state that it amounts to 15 per cent to over 3,000 men.

CHURCH NOTES

The services at the Presbyterian church will be as follows: Morning worship at 11 o'clock, which will, as usual, include story sermon for the Juniors; Evening worship at 7.30. Sunday School at 2.30. The music by the choir will include the following: Anthem, "To Thee, O Dear, Dear Saviour" by J. Baptiste Calkin, and a violin solo by Miss Jennie Strang.

The services in Grace Methodist church next Sunday will be conducted by the pastor. The subject of the sermon in the morning will be "A man is what he thinks." At the evening service the choir will render a choice anthem in which there are solos by Mrs. Clark, Miss Parsons and Rev. R. K. Swenson. The Sunday School meets at 3 o'clock.

HANDY BLUE-PRINTS OF THIS DISTRICT NOW OBTAINABLE

The STAR acknowledges the receipt of a blue print map of the Wainwright District from the hands of its compilers, H. P. May, the local barrister, and W. G. Zinkan, D. L. S., also of our town. The map should fill a long-felt want among business men of the community as it shows the owners of all lands over a territory 26 miles long and 22 miles wide, with the town of Wainwright as its approximate centre. While not claiming it to be absolutely accurate owing to the many changes in ownership going on every few days, the compilers have made it as up-to-date as possible. The mechanical work was done locally by Mr. Zinkan, and is a model of neatness and clearness. Maps of Battle River, Vale, Ribstone and Merton Rural Municipalities have also been completed, and also of Edgerton and Chauvin Districts.

Copies may be obtained from either of the above parties. They will be corrected annually and purchasers may obtain corrected copies at a nominal sum to cover costs of office work. Altogether, the undertaking is one that deserves substantial appreciation on the part of business men of Wainwright and surrounding district.

Owing to the wintry weather of Tuesday several of the threshing outfits are shut down for a day or two, although returns to date show that the yield and the grade will be pretty well up to the average all round.

SARCEE CAMP WILL BE EMPTY DURING COMING WINTER

It is reported from Calgary that Sarece Camp will be broken up about the 20th of this month, and that the 218th Irish Guards, under the command of Lieut-Col. Cornwall, and the 233rd French-Canadians, commanded by Lieut-Col. Leprohon will be sent to Edmonton for the winter.

The units that are likely to leave for other places are the 187th Veterans Battalion, under Colonel C. W. Robinson; the 192nd of Blenheim, under Colonel Lyons; the 194th Edmonton Highlanders, under Colonel W. O. Craig; and the 202nd Sportsmen's Battalion, under Colonel Pete Bowen, while the 191st, Colonel Bryan in command, will winter at Victoria Park.

BIG CONGREGATIONS AT ST ANDREWS FOR HARVEST FESTIVAL

The Harvest Festival services of St. Andrew's Presbyterian church held last Sunday were attended by large congregations both morning and evening. The morning worship took the form of Holy Communion, when some forty-five of the regular members participated. Five new members also being added to the roll. The sermon was preached by the pastor who took for his text, the words of Christ "This do in remembrance of me." He developed the idea that the communicant best remembers Christ through a life of service and sacrifice for the world. The evening sermon was listened to by a large and interested congregation. "The Harvest is Past; the summer is ended," was the preacher's text. "We look back at the departing summer and we feel that glory has departed from the earth, a sense of sadness over us as we look across the pale stubble fields all stripped of their summer loveliness. It is sad to see the flowers fade, the leaves fall and the harvest pass. But we look again at the departing summer and we remember what abundant blessings she has brought us." In a wider sense, the preacher reviewed the progress of the world in the passing years and showed how many things called forth our gratitude. "Let us cheer up and be thankful said he "for we are living in a glorious age after all."

The music of the service was of a bright and appropriate character. The anthems, "All Things Bright and Beautiful" and "The Lord is Love," were well rendered by the choir.

The usual services will be held at the Anglican church on Sunday next when the new rector the Rev. H. Wilson will be in charge.

Work is proceeding apace on the new drainage scheme although a few more hands on the job would hasten matters if they could be secured.

The crying need for street lighting is being badly felt these nights, when even the "old timers" cannot find the sidewalks.

Bob Cameron and Bob Snyder are off on a goose hunt these days and there's only one thing wrong about it—they didn't take the editor along! But we wish them luck, anyway.

The Price of Your Newspaper

The cost of living has nearly doubled during the last 15 years. Almost everything in common use has risen in price. Yet your weekly newspaper has remained a dollar a year without variation.

The printer and publisher have not escaped having to pay the higher cost of living and publishing. He pays what others pay for the necessities of life.

Even before war broke out, the old dollar rate was known to be unprofitable. It costs at least \$1.50 to produce a good weekly newspaper—this when it has a good circulation, and when circulations are small, the \$1.50 rate is scarcely enough.

But the war has made the old dollar rate quite impossible. Paper prices have jumped alarmingly. Ink prices have doubled, trebled, quadrupled. Many colored inks are quite off the market. Type is terribly high. And so we could go on reciting the dismal tale of higher publishing cost.

What we want to do is to let you see for yourself that in the face of these things, only one thing is left open to us—it is to raise the price of The STAR to \$1.50 a year.

Your weekly newspaper is rendering this community a service no city daily can. No daily will give space to local news and affairs as The STAR does. No city daily publishes the advertising of local merchants. If you had to depend solely of a city daily for local news, you would cry out for your local weekly.

On and after November 1st the new rate of \$1.50 will go into effect. We ask you and all the good people of Wainwright and district to fall in with the new rate—just because it is an honest price and because you are fair-minded.

Your Local Newspaper Keeps This Community on the Map.

PRINCIPAL OF THE ALTA LADIES COLLEGE VISITS WAINWRIGHT

The Rev N. D. Keith, Pres-
ident of Alberta Ladies College
University Campus, Edmonton
South was a visitor to town on
Monday. He called on the STAR
and informed us in an interview
that the college was formerly
located in Red Deer. It sold its
building and grounds there and
is now located in Assiniboia
Hall Edmonton South. The
College is under the auspices of
the Presbyterian Church, whose
union comes it will be under
the care of the United Church.
What ever may be best for the
church in the East, the West
declares that it wants union
President Keith is quite enthu-
siastic over the record of his
college as judged by its result-
at the departmental examina-
tions. Up to the present year it
had a 100 per cent record; this
year too the record was
good although the high water
mark was not reached. The
ladies college is a residential
school for girls only and its
courses of study are as follows:
Academic, music, commercial,
fine arts, physical culture
education and household science.

The aim of the college is to
provide the best in education
together with board, residence
and tuition under the homeliest
and refining influences at the
lowest possible cost.

The attendance this session is
good between 40 and 50 being
enrolled. The students come
from British Columbia, Alberta
and Saskatchewan, and scarcely
a week passes but some new
students are enrolled. The col-
lege is making a specialty of a
commercial course for girls who
wish to qualify for lucrative
positions in business, and it has
never failed to find good posi-
tions for all who graduated in
this.

Undoubtedly the college is
one of the best in the whole
Dominion. Enrolments are now
taking place for the next term
beginning November Twentieth.

LETTERS TO THE EDITOR

IS THE CHURCH OF SERVICE?

Mr Editor—Everyone who
goes to church should be at
home in the place God is wor-
shipped, and happy in being
there Church-going is good for
people. It cheers us—it has an
encouraging influence with the
christian and should inspire and
strengthen all. The churches
should all be full each sabbath
day—at all the services. If the
churches would just waken
up and assert their strength
they could rule the world. "Com-
placency" is a word that could
be used to describe too many
of us. A little of the religion of
Jesus Christ satisfies most
church members. What the
churches need to-day is fire and
zeal. If we were as zealous that
our church should prosper as
we are that our business should
we would evangelize the world
in this generation. Why is it
that the critic outside the church
ridicules the church members?
Is it not because the average
church members does not live
near enough to the standard of
living presented by the church
in its interpretation of the
scriptures. If every professing
christian would do their best
to be one, that censure of the
world would pass away, and
multitudes who do not now,
would love and respect the
church and use her for her in-
tended purpose. Surely the times
appeal to us to live a life that is
consistent with our profession.
CHURCH MEMBER.
